ROCKWELL FOR GOVERNOR

Virginia Campaign Opens!

The ancient maxim "every action produces an equal and opposite reaction" was never so true as in politics.

Every time we have tried to exert our most fundamental consitutional rights in New York City or Phildelphia, the Jews have applied the most outrageous conceivable methods to run us out of town, throw us in jail, beat us and otherwise do to us what they are now so damned anxious to save the niggers from in Alabama.

No amount of complaint to the Federal Government ever got us any protection. In the early days, when five of our men were beaten and thrown in jail when they tried to picket Communist boss Gus Hall in Philadelphia, I was naive enough to go to the Justice Department and ask to file a "civil rights" complaint. Bail for our lads was set at TEN THOUSAND DOLLARS, and they were denied medical attention and almost died in Moyamensing Prison under Jew warden, Solomon Bookbinder.

I was directed to see the man who handles "civil rights" complaints, and I don't think any reader of the Rockwell Report will fall over dead of surprise when I reveal that the "gentleman" turned out to be a big, black NIGGER.

Over the past five years, I have been given a free and complete education by the Jews in the methods of LEGAL "persecution". -In Philadelphia, for instance, the WORST Jew city in the USA, with the possible exception of Miami Beach, we can not even file legal papers in the city hall the usual way because the clerks are almost ALL Jews and they just won't take 'em. We have to THROW them over the counters and RUN!

Bail is ALWAYS set at five or ten thousand dollars for the tiniest charge of "disorderly conduct", and then no bondsman will bail us out.

I could go on and on, but it is not the purpose of this article to groan about what we have suffered. Rather, I am glad the Jews have given us these invaluable lessons in "legal" suppression of the opposition, because. . . . .

NOW IT'S OUR TURN!!!!!!!

We need only 250 signatures to MAKE THE BALLOT! I had three times that many ready to sign just in ONE rally, in Lynchburg, (the one on the record). As soon as I have filed those signatures with the Election Board and have been certified on the ballot, I can FORCE the purchase of TV TIME!

THERE IS NO LONGER ANY DOUBT THAT WE CAN WIN POLITICAL POWER IN THE STATE OF VIRGINIA!

Last week, for the first time, I sent my men out with petitions to put my name on the Virginia ballot for Governor.

Now consider what we were asking people to do in signing those petitions. Every person who signs his name to that affidavit on my behalf knows that it will be a matter of PUBLIC RECORD that he or she has petitioned to put ROCKWELL on the ballot, in the face of all the horrible things preached about me for all these years!

In just ONE town, in just two hours, just ONE man, Capt. Robert Lloyd got TEN signatures canvassing "cold-turkey" from door to door. It was a beautiful Sunday afternoon and most families were out driving, etc. But among those who were in, he got SEVEN OUT OF TEN to sign our petition for Governor! He reported that many of them were EAGER and PROUD to sign!

In just one town, in just two hours, just one man, Captain Robert Lloyd, canvassing "cold-turkey" door-to-door, got TEN signatures on our petitions and affidavits! Most families were out, because it was such a beautiful Sunday afternoon. But Captain Lloyd reported that of those who were in MOST of them were friendly and EAGER to sign!

Applying the old-fashioned multiplication table, it is clear that 24 more men out with that petition at the same time would have come back with all the names we need to make the ballot, since we need ONLY 250 signatures.

On February 24th, 1965, The New York Times printed a front page story which was too good to be true for us! It was hard to believe!

The people of Virginia overwhelmingly reject and despise race-mixing. I know! Although it was blacked out of even the Richmond papers here in Virginia, I was greeted by huge and enthusiastic crowds all over Virginia when I toured the State two years ago opposing the nigger "March on Washington". Those who have heard the long-playing record we have of just ONE of those speeches, in Lynchburg, Virginia, will know I speak the truth. The Lynchburg newspaper came out with a typical liberal editorial after my speech there, in which they said, "It frightened us to see the huge crowds which turned out to cheer this "Nazi", when we observed that he came into town with no money for advertising or expenses and no real help. Can you imagine what this man could do if he had a band and marching ranks of young men, flags, etc? The thought is appalling!"

Well the clipping from the Times which we have printed in enlarged form above means that we will soon HAVE the money and help to do precisely what that liberal editor feared so much.

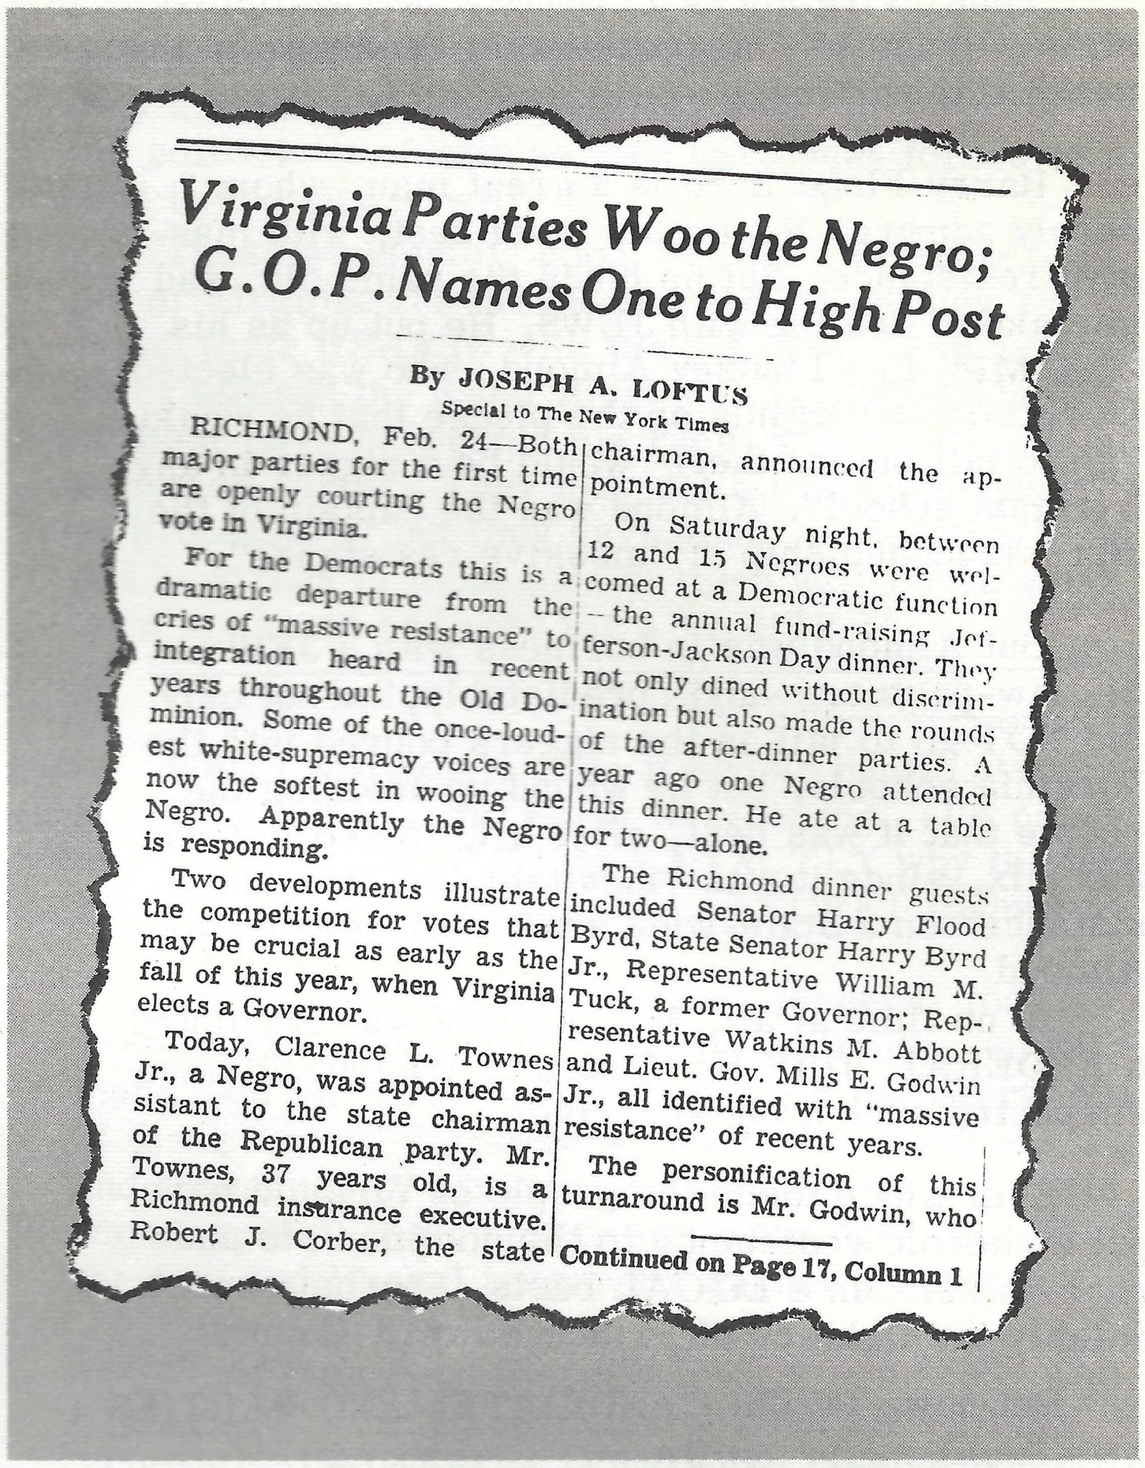
Here's why.

Suppose you found a huge footbal stadium packed with tens of thousands of fans watching a ball-game, --but not a single HOT-DOG stand in the whole place.!

If you could get the hot-dog concession, you could clean up in a hurry!

Whenever you find a great human need, with nobody FILLING that need, you have only to fill it yourself to be a "success". How can you lose selling life-boats on a sinking ship?

Well Virginia is SINKING, -like all the great White, Christian Southern States. The Jews, reds and nigger agitators have been boring away into the planking of the Virginia Ship-of-State until it is about to slip beneath the inky waters of integration.



Virginia Parties Woo the Negro; G.O.P. Names One to High Post

By JOSEPH A. LOFTUS
Special to The New York Times

RICHMOND, Feb. 24—Both major parties for the first time are openly courting the Negro vote in Virginia.

For the Democrats this is a dramatic departure from the cries of "massive resistance" to integration heard in recent years throughout the Old Dominion. Some of the once-loudest white-supremacy voices are now the softest in wooing the Negro. Apparently the Negro is responding.

Two developments illustrate the competition for votes that may be crucial as early as the fall of this year, when Virginia elects a Governor.

Today, Clarence L. Townes Jr., a Negro, was appointed assistant to the state chairman of the Republican party. Mr. Townes, 37 years old, is a Richmond insurance executive. Robert J. Corber, the state chairman, announced the appointment.

On Saturday night, between 12 and 15 Negroes were welcomed at a Democratic function -- the annual fund-raising Jefferson-Jackson Day dinner. They not only dined without discrimination but also made the rounds of the after-dinner parties. A year ago one Negro attended this dinner. He ate at a table for two—alone.

The Richmond dinner guests included Senator Harry Flood Byrd, State Senator Harry Byrd Jr., Representative William M. Tuck, a former Governor; Representative Watkins M. Abbott and Lieut. Gov. Mills E. Godwin Jr., all identified with "massive resistance" of recent years.

The personification of this turnaround is Mr. Godwin, who

Continued on Page 17, Column 1

That's what the clipping from the Times is all about. The filthy Jew communist manipulators have managed to put SO MUCH PRESSURE on all ordinary "politicians" that they can no longer SURVIVE unless they bend more and more to the race-mixers. I know several of the top political leaders in Virginia personally and well, -and they are all GOOD MEN. But they have all come up the USUAL way in politics, -by compromise, enforced "demagoguery" (which all of them tell me they hate), constant fear of being "smeared" as "anti-semitic" or as "haters", etc.

The Jews and niggers, using all the weapons of traditional politics have made it IMPOSSIBLE for an honest man to come up to a position of real power in Virginia (or anywhere else) by the usual political routes without eventually bowing to the deadly power of Jewish press, gold and smear.

The Times clipping lays it on the line.

Virginia's last bastions of racial integrity have been breeched, with niggers now attending DEMOCRATIC dinners, parties and dances with some of the finest and greatest segregationists and Christian gentlemen I know here. The Republicans are VYING with the Democrats, now, in WOOING the niggers!

Thus, Virginia is a strongly segregationist state without ANY segregationist candidate in the two major parties.

Harry Flood Byrd is a great man, whom I deeply admire. He did his level best, with massive resistance. But he made the same old, sad mistake of dealing with JEWS. He put up as his "CHAMP" Li', Lindsey Almond, who was elected Governor of Virginia on the pledge that he would "go to jail before there would be a nigger in any Virginia school". Almond was the captain of the Byrd-launched ship of "massive resistance".

But Almond was in business with a JEW as his law-partner, -and, predictably, he not only did NOT go to jail as the niggers poured into the Virginia schools, but he wound up advising the people that it was best, after all, to settle down and mix, since it was "inevitable". "Massive resistance" on a State-wide scale collapsed under Almond.

In no time at all, Mr. Almond was appointed a FEDERAL JUDGE! Imagine! Who would have suspected such a big surprise!

Ever since then, the people of Virginia have put up heroic resistance to the communists and race-mixers on a LOCAL basis, -perhaps most notably the fighters of Prince Edward County.

But now, BOTH CANDIDATES AND PARTIES ARE "WOOING" NIGGERS! OPENLY!

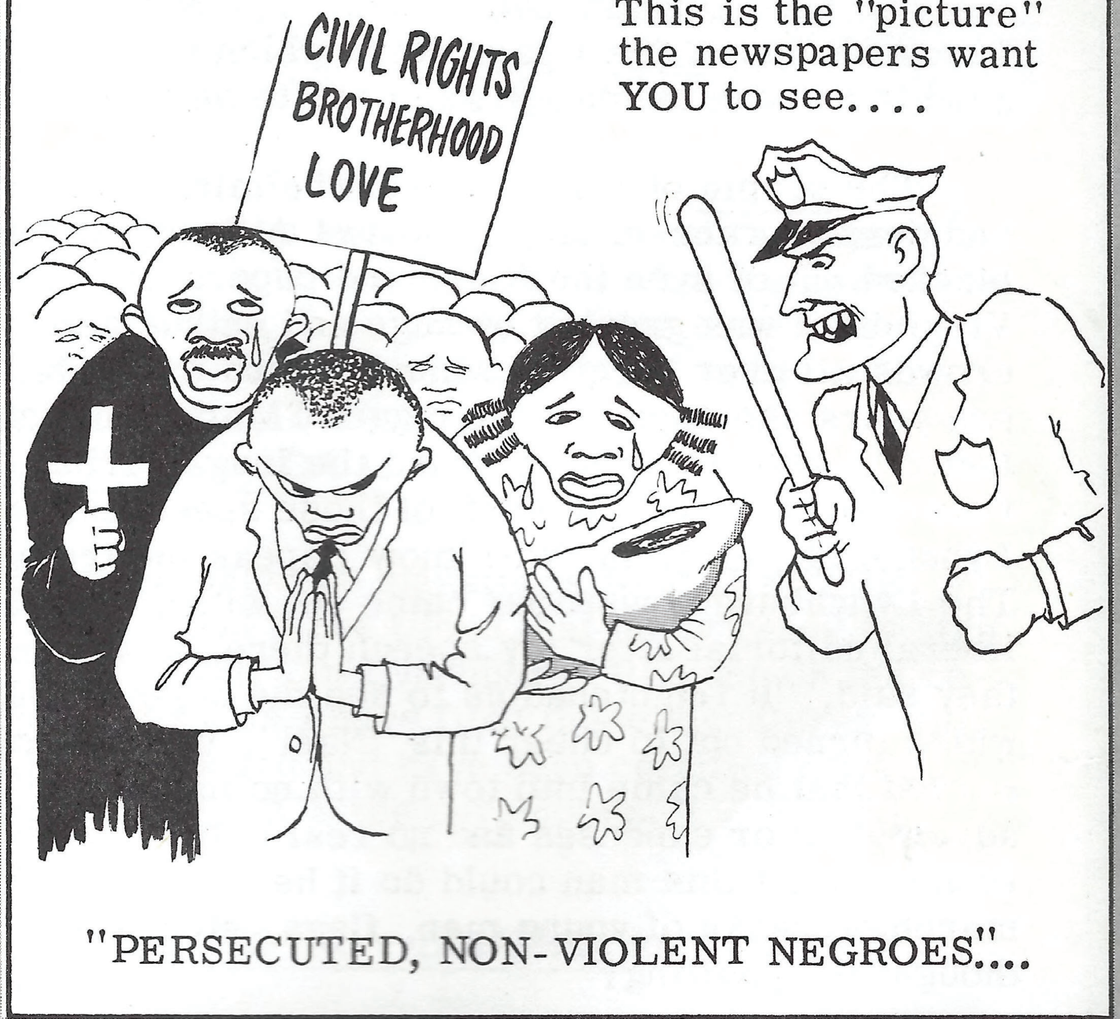
So here is the situation in the approaching race for the Governorship of Virginia: The vast majority of the population wants to stop RACE-MIXING more than they are interested in any other single issue, (as the California voters proved with Proposition 14). But not only will they have no strong anti-race-mixing candidate, --BOTH PARTIES ARE RUNNING AFTER THE NIGGERS!

The voters of Virginia, as in most of the U.S. South have proved again and again they will cross all Party lines when the RACE question is involved. But as long as the "Republicans" and Democrats" are permitted to play their meaningless games with meaningless issues, they simply CANCEL each others' votes out, leaving the NIGGERS AS THE "BALANCE OF POWER", -as they are in the US as a whole.

The only way this Jew scheme can be busted up is to run, not as a "state's righter", etc, -but as a WHITE RACIST! There are many, many more Whites than niggers, but the "Republican" and "De,-ocrat" malarky neatly cancels out the whole White vote and leaves the balance to the NIGGERS, --which is why the politicians are now being forced to woo these black blackmailers.

But no ordinary "politician" in Virginia or anywhere else can afford to "kick the traces" of Party loyalty, because of "seniority", patronage and all the rest of the chains of "Party loyalty" which are hammered on the necks of all regular "politicians". Those who have risen by running with the "pack" cannot survive as "lone wolves" later.

Only a totally unattached, unfettered NEW man who can capture the hearts of the people DIRECTLY, without any political party to force him to compromise, can UNITE the vast majority of Whites, put an end to the madness of the "Republican" and "Democrat" games, and sweep into power as a WHITE, CHRISTIAN candidate!



This is the "picture" the newspapers want YOU to see....

"PERSECUTED, NON-VIOLENT NEGROES"....

I have spent almost six years of misery and work reaching the point where we can now do exactly that! --SWEEP INTO POWER DIRECTLY ON A WHITE, CHRISTIAN PLATFORM!

Have you ever heard of a man named "Godwin"?

I doubt it, unless you are well acquainted with Viriginia politics. Even most Virginians don't know Mr. Godwin. He's the Lieutenant Governor. He is also the heir-apparent to Governor Harrison, the incumbent, --and the LEADING CONTENDER for the post of Governor next year. I, myself, still know almost nothing of him. So far as I know, he is colorless, unknown, probably basically a good man, but utterly without one of the most important things for a political candidate, -an IMAGE!

The Republicans, no matter who they put up, have no more chance of the Governorship than I do of being elected Premier of Israel.

Thus, my only competition is an unknown, colorless, Party-ridden and soft-on-integration candidate whose only real hope is that he is back-

ed by the Democratic Party. In the last election, he and Governor Harrison backed JOHNSON!

I can and will tear this gentlemen to PIECES!

In Virginia, I will face neither a name NOR a real segregationist!

When Admiral Crommelin has made his magnificent efforts to win a Senate seat or the Governorship in Alabama, he has always been faced with a "name" and a mouth which at least TALKED seggregation.

In short, we have the most fabulous chance in decades to win POLITICAL POWER IN A SOV-

THE BLACK PLAGUE

EREIGN STATE for a radical, White, Christian Administration!

I am not speaking of a "politicians'" type of "power", which is nine-tenths WIND-power, as the parade of "I-will-go-to-jail-before-I'll-let-a-nigger-in-the-schools" politicians have sadly proved so many times.

I am speaking of political power backed by the moral FORCE of willingness to DIE rather then compromise. I will not have to prove that to the voters. They have SEEN me got to jail again and again for what I believe and preach. Not only that, but they have seen me BEAT those jails, time and again. I am not afraid to tell them that we intend to DEFY illegal operations of the Jews and reds who USE the "Federal Government" to force Communism and race-mixing on our people, no matter what it costs me personally.

The White, Christian people of this Country, -and Virginia, -are looking for a CHAMPION, -a FIGHTER. They are fed to the gills with political cowards, hot-air experts, chameleons, grafters, queers and cheats in high-places. But above all, they are fed up with NIGGERS! Now, in Virginia, the politicians of both parties have been forced to bend to the nigger will.

These wonderful, good, White, Christian people of Virginia are MY people and I know how to reach their HEARTS with the TRUTH! They are being offered the usual American political "choice" of these days between a big race-mixer and a medium race-mixer. They may not all be "statesmen" or professors, but they have good, pure INSTINCTS, and hundreds of thousands of them will FEEL what is in my heart and vote for a FIGHTER!

"Not with that name 'Nazi'," you say.

Well I will admit that, if people had to stand up in public and join the Party to elect me, -I'd never make it this trip. But that's EXACTLY why the wise Founding Fathers established a SECRET ballot!

Only a very few courageous pioneers, today, dare to admit that I am speaking the truth, -and I thank God for these hardy souls. But for every one of these "open" supporters, there are hundreds and thousands of Americans who keep us in a little warm-spot in their heart, -a secret spot into which the Jew and liberal terrorists cannot penetrate.

Wherever I go, there is always somebody who can't resist coming up to me quietly and saying, "There's a lot more of us with you than you think!"

In a topsy-turvy world, where our "heroes" are traitors and our men who are called every sort of foul names are actually our "heroes", economic terrorism keeps millions of Americans from SAYING what is in their hearts, for fear they will lose their livlihoods and starve their families.

But the secret ballot permits them to VOTE what is in their hearts, --without fear.

And I know in my heart that there are more than enough of my fellow Virginians who are wise to the Jews and their lies so that the smears against me just won't work. I do not expect the POLLS to show my strength, because people will be afraid to reveal their true feelings to the "sharpie" pollsters with their pads and tape-recorders. But on election day, I am hugely confident that we will give the Jews and race-mixing commies the BIGGEST shock of their dirty lives!

Another groan I hear from the defeatists is, "how can you win with no money?"

Well I will admit this is the WORST handicap we suffer. Goldwater's campaign expert, Shadegg, estimates it costs about $ 100, 000 to win a little LOCAL election. I will be surprised if we can raise $ 10, 000 for the entire campaign.

But it must be remembered that I BEAT my way up to international prominence (or notoriety?)

without ANY funds, to speak of, and solely by the use of wits and guts.

I will start the campaign already the best known name involved, even if daubed with mud.

And the Jews can be COUNTED on, to act in their usual, freedom-loving manner to do everything possible to get me banned from the ballot, banned from the radio, TV, papers, etc. All of this will only serve to ADVERTISE my campaign, --FREE!

And I can get a FULL HOUR in Southside Virginia for less than $ 200, for class B time!

With the name and the image I have built up, I will not have to buy prime time. If YOU heard that the "Nazi", George Lincoln Rockwell were going to be on YOUR TV for an hour, would you not make an extra effort to SEE and HEAR it, even if not on Sunday night, etc?

Not only that, but I suspect that the Jews, with their usual love for "free-speech" will rush to the Courts trying to shut me up, so that by the time I DO get on, I will have the best listenership possible no matter WHAT time I get.

I do not want to give a wrong impression of immodesty or boasting to friends and readers, but those who know me, I think, will agree that I can do a fair job of persuasion and "friend-winning" in a full hour of opportunity to talk to my fellow Virginians in their living rooms.

I believe I can raise enough money from ONE broadcast to finance more, plus some extra for rallies and travel. And this, in turn, will produce the enthusiasm and "bandwagon" atmosphere which will enable us to win still further support.

Meanwhile, the national press and magazines, who have so long ignored us regardless of the violation of their professional ethics, will be put on a red-hot spot; if they continue to ignore us in all the campaign, -and I then get ELECTED, --they will look like solid-gold, 14-carat FOOLS! Even the Jews and all their millions will not be able to stop the scramble of the national press to "cover up".

Of course they won't give me any bouquets. I expect there will be the WORST smears in our history in such Jew rags as Newsweek and U. S. News (Which, as few people know, is also Jew. David Lawrence was the Jew "press lord" to President Wilson, along with fellow Jew, House). But I shall immunize the people of Virginia against such Jewish filth by just a FEW TV appearances, and the contrast between my decent, honest, sincere and compelling presentation, which they can SEE FOR THEMSELVES, --and the false image portrayed of us all these years, by the Jews, --will completely discredit the hysterical Kikes and their screams of "monster!", "Hitler killer!," etc.

In addition, we now have a NEWSPAPER PRESS, and Virginia will be covered with the deadly FACTS, presented in a moderate and attractive form in "THE WHITE VIRGINIAN"!

Five years ago when they raided my first Headquarters, I predicted just this situation, and began to prepare for it. Not only the Jews, -but all my own people shook their heads in derision or sadness.

"It can't be done!" -was the consensus.

Well I was told it was impossible to set up an open NAZI party and survive. We DID it. I was told we could NOT break the "quarantine" treatment. "If they could black out the old fox, Gerald Smith," I was warned, "Who are you to imagine YOU can break out of the Jew "quarantine". Well we DID it! I was told we couldn't set up other Headquarters. We now have FOUR! -I could go on and on. But we have gone ahead and DONE what had to be done.

AND ALL THE TIME, EVERY SINGLE MINUTE, --I have had my eye sighted in on this campaign for the Governorship of Virginia. This campaign will be our first real, positive attack! And we are READY for it, and confident.

God willing, on the morning of November 3, 1965, Virginia will have a newly elected Governor, a FIGHTING WHITE MAN, determined to see that this White, Christian state STAYS WHITE and CHRISTIAN as the people want!

Perhaps you will say "Yes, but that doesn't really mean much, by itself. Every other Southern Governor has been beaten down by the Federal Government! You will be, too!"

LIKE HELL!

All the others have been "politicians" and have not had the invaluable experience of rising out of the GUTTER. They know how to wheel and deal and COMPROMISE, --but they know nothing of dirty playing. They have been "nice" men, who would not think of "stooping" to conquer.

Well we AIN'T "nice".

We ain't going to "fair" to the deadly enemies of our race and nation. I intend to use every single trick the Jews have used on ME and which the courts have ruled LEGAL.

I make no pretense whatsoever not to be a "racist", as does Wallace. My hands are not tied by such hypocrisy. I glory in the fact that I love MY people. I do not necessarily hate the others, but I damned sure hate whoever HURTS my people, and right now that includes a lot of niggers and communist-zionist Jews. I have no intention at all, as Governor of Virginia, of being "nice" or

even "fair" with communist-Jew-nigger agitators, --I intend only to STAY LEGAL! I'm not going to make the mistake of laying myself open to action by the Federal Government, as have the other Southern Governors, -but I AM going to make life just about UNBEARABLE for the enemy by every LEGAL means, -as the Jews have done to me for so very long.

NO Southern Governor has EVER really used the ENORMOUS POWER of his office FOR the White, Christian people and AGAINST the communist-Jew agitators and subverters. Perhaps you will remonstrate that they COULDN'T, because the Federal Government always steps in. -Sure they have stepped in, -because the Governors so far have almost INVITED them to do so! so! When Wallace's State Troopers waded into those niggers on TELEVISION last week, it heated the blood of a lot of "rebels" who may have thought it great fun, -but it gave Martin Luther Coon the BIGGEST PROPAGANDA VICTORY of his career, even bigger than Birmingham! What Wallace did that Sunday evening was to HAND the Jews and niggers their much-sought-for EXCUSE for "Federal Intervention.

THE UGLIEST THING IN AMERICA! GUESS WHAT?

Has it ever occurred to you that what Mr. Coon and his fellow nigger-agitators are doing is HIGHLY ILLEGAL? No matter what he CALLS it, he is CONSPIRING to provoke RIOTS and CIVIL DISORDER. He boasts about it. That is a FELONY in every state in the Union! He can be and MUST be INDICTED and JAILED for it. I myself appeared before the Danville Grand Jury to present precisely that evidence, but, as usual, was opposed by the timid city officials who are afraid of the Jew merchants on Main Street.

If, instead of the big Television Scene so dearly hoped for by Mr. Coon, Governor Wallace had had EVERY DAMNABLE, FILTHY NIGGER LEADER INDICTED AND JAILED ON FELONY CHARGES UNDER VERY HEAVY BOND, those niggers and peace creeps would have had nobody to tell them what to do, and would have evaporated like rats running from the light.

But this piece is not to point out the errors of others, -but to show what CAN be done, what POSITIVE steps we can take to SMASH nigger, Jew and Federal tyranny in ONE state, -Virginia!

One of the FIRST things we will do, as indicated above, is to INDICT, on charges of conspiracy to incite riot and rebellion, every one of these vile and repulsive black hell-raisers. In Virginia, the penalty is TEN YEARS and $5,000! We have the GOODS on Coon, who boasted in the press that he was going to "turn Danville inside out and upside down", among a lot of other things. If that is not open incitation of REBELLION and RIOT, then I do not understand my native language. Yet no POLITICIAN in Virginia has had the nerve to nail this asiatic-faced race-criminal. Once we have him indicted and under heavy bond, he can't travel INTO the state, -and, if he does, he can't get OUT!

"The Federal Government will step in," you object. "It will do no good."

That's like saying it won't do any good to hit a man who punches you, because he might punch you again. Certainly they'll "step in". But we'll make a FIGHT of it, and it will cost Mr. Coon tremendous TIME and MONEY and PRESTIGE. Nobody has ever really CALLED that black scoundrel, and the niggers think he is some kind of Achilles, impervious to the power of the White Folks. It's time to WHACK him a good one, just to show the rest of the jigs that at least SOME White Folks know how to deal with a hell-raising coon!

There is also the fact of his GUILT. He DID conspire to incite rebellion and riot in Virginia, as he is NOW doing in Alabama. The reds have not yet won TOTAL power here, and we might even manage to dump Mr. Coon in the PENITENTIARY for a good long spell. All it takes is some executive power in Virginia not afraid of the economic or political power of the JEWS to do it, and I owe them nothing, and want nothing, ever, from the scum. Nor do I fear their contempt proceedings, their jails or even their beatings, as I have proved. And their smears aren't even as good as the smears of my OWN side, so to the devil with the lot! With the power and prestige of the office

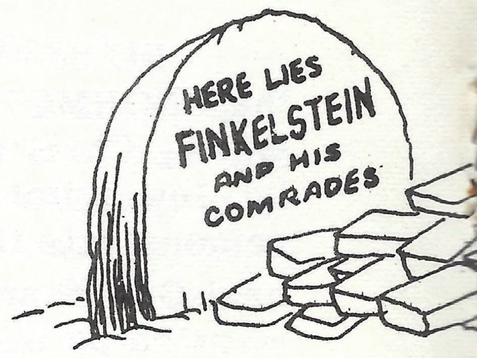
Perish Judah!

We do not subscribe to some of the ideas expressed in this song, but we feel that readers will enjoy it anyhow!

We herewith reproduce a song written by our British Nazi comrades in Great Britain.



(Sung to the tune of "Clementine")

In a hovel, in the ghetto, back in 1929, lived a lonely little Jew-boy, by the name of FINKELSTEIN!

CHORUS: Perish Judah! Perish Judah! Perish all the Yiddish swine, when they're dead and gone forever... then the sun will surely shine!

His profession, one of standing, in an ancient family line, was making champagne out of water, taken from the Serpentine!

Repeat Chorus

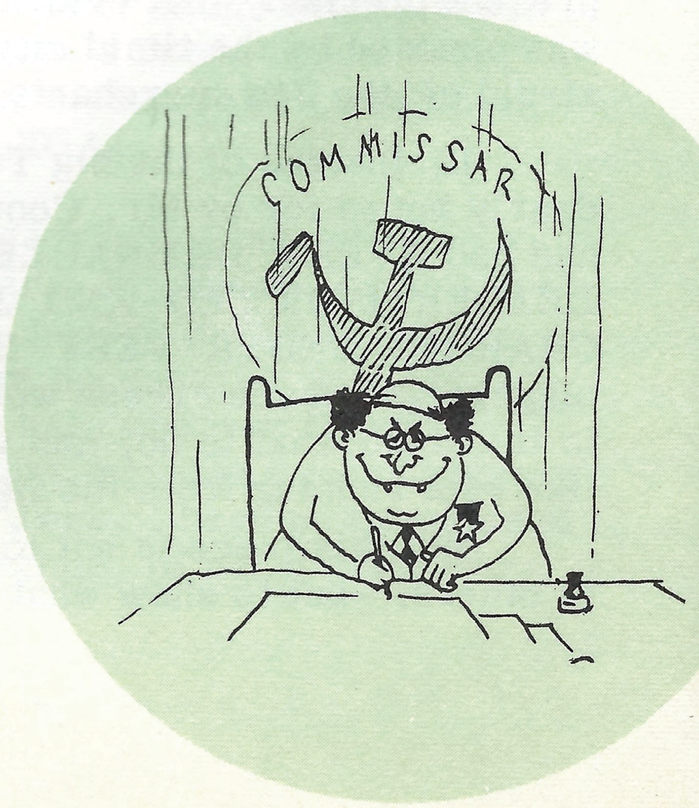
When the slump came, great disaster, no more market for his wine, for a time, it looked as if, they'd send poor Finkle down the mine!

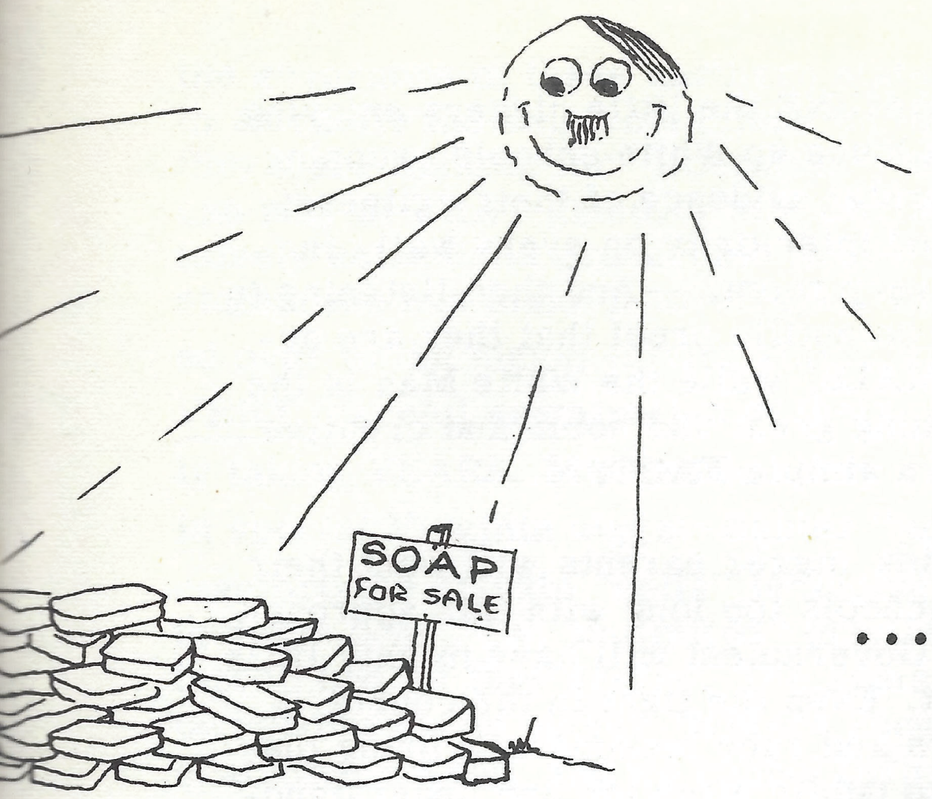
Repeat Chorus

"No you don't" said the little Jew-boy, "You'll never get me down the mine, 'cause I'm off to join the Red front, it's a much more pleasant line!"

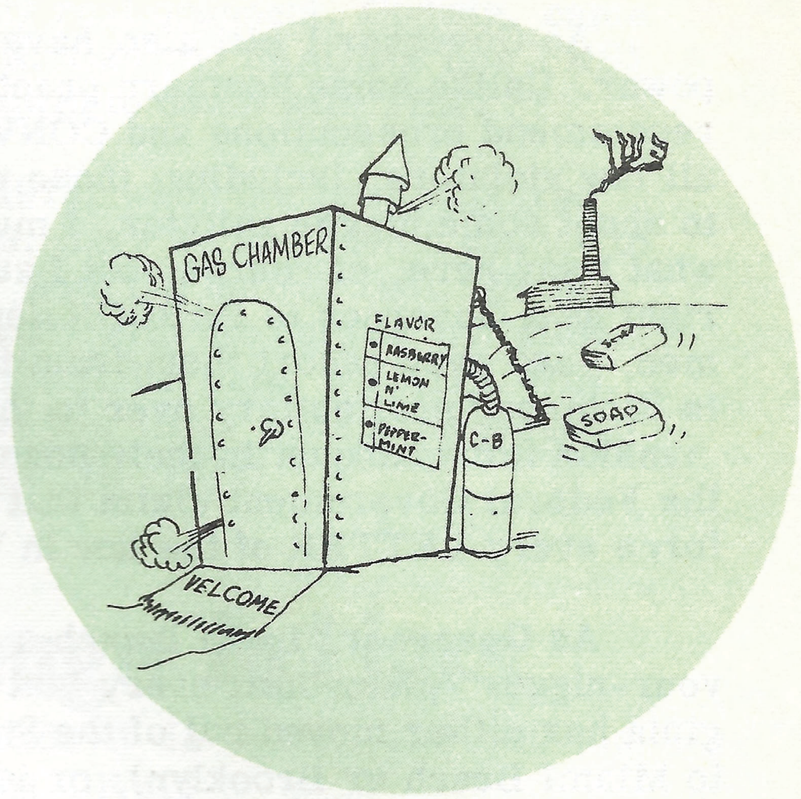
Repeat Chorus

In the Red front, great success for, Party Comrade Finklestein, he'd become a Commissar before the end of '29!





...Then the sun will surely shine!!



Repeat Chorus

1930, mid great hunger, Finkels doing mighty fine, with a chauffer-driven Bently and a mansion of rich design!

Repeat Chorus

Then one day, for his old homestead, in the ghetto he did pine. So, he took on o'er yonder, back to see that sacred shrine!

Repeat Chorus

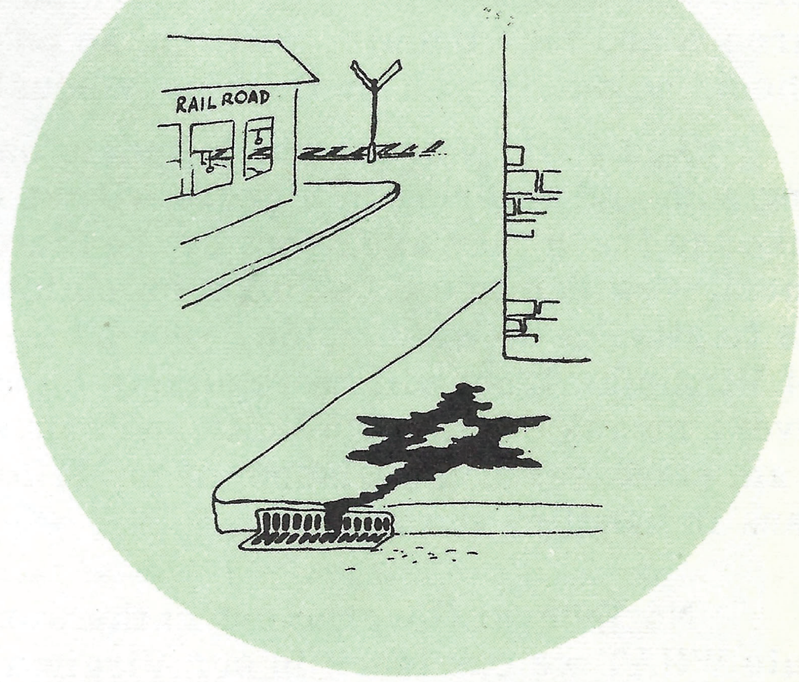
When he got there, in the evening, as the clock struck half past nine, he encounteerd a band of brown-shirts, who to vengeance did incline!

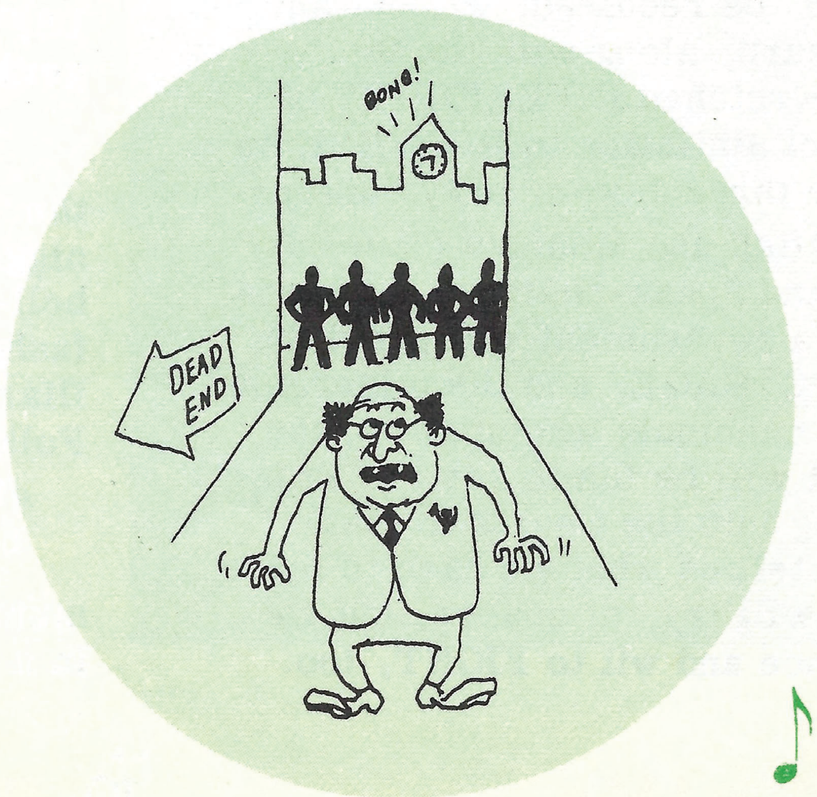
Repeat Chorus

On the pavement, in the ghetto, near the local railway line, an old and faded bloodstain, is ALL that remains of FINKELSTEIN!

Repeat Chorus

Let this story be a warning and an unmistaken sign, to the traitors who plague our nation... There'll be MORE like FINKELSTEIN!!





(Continued from Page 7)

of Governor of Virginia, I will be able to get Mr. Coon INDICTED for breaking the LAW, --and very possibly send him to prison. At the very LEAST, I will draw a lot of BLOOD!

As Governor I will also have PARDON power. Unlike some Southern practices, I will recommend prosecutions and CONVICTIONS for all law violators, including those who are forced to shoot some nigger agitator. I must be careful what I say here, of course, but I surely have the right as a Governor to PARDON deserving gentlemen, -and even escort them from the death-house in Richmond penitentiary over to the Governor's mansion for a banquet in their honor. Let's see the Federal Government claim that we don't enforce every LETTER of the law in Virginia!

As Governor, I will launch a massive "fire-your-nigger" plan, until every last nigger in Virginia has either moved out of the State (preferably to Miami Beach or Brooklyn), or is acting like a decent, old-fashioned NIGGER, with all that that implies.

Further, we will have a major publicity campaign to IDENTIFY and OSTRACIZE ever coon who thinks there is something to be gained by conspiring against the White Folks and the State Government. Such foolish jigs who are able to walk around and take the air, will find no one to talk to them, no one to wait on them courteously, etc.

And WHITE scum which insists on consorting with and catering to niggers will be treated like the trash they are, -not by the State Government, --which would be "discrimination" and open us to attacks by Washington, -but by the CITIZENS of Virginia. They will be regularly identified by every means of State publicity and exposure, and I am confident of the wisdom of my fellow Virginians in handling the rest.

No Federal Government in the world can dictate WHAT we can teach in our Virginia schools, and I intend to see that there is at least one hour a day of instruction in RACE. Niggers already in school will, of course, be required, without any "discrimination" to learn, along with the White pupils, the utter and wretched INFERIORITY of niggers, with plenty of statistics to PROVE it, in spite of the lies of the three Jew-monkey "anthropologists, Boaz, Weltfish and Montagu ("See-no-race, Hear-no-race and Speak-no-race). Posters issued by the Viriginia government will proclaim the glory of the WHITE RACE, and the miserable RECORD of the black cannibals who spawned the "equals" among us. It will be fun to see the Federal Government rushing into the Courts to tear down our posters and tell us what we have to teach in our schools. They will try, of course, but we are not without evidence and wit to FIGHT, too.

Can you IMAGINE the little niggers enjoying their "rights" to louse up White schools, running smack into the brutal evidence of their ugliness, worthlessness and inferiority on every wall, in every hall and every room. --And then listening to an hour a day of scientific proof that they are actually little ANIMALS, while the White Man is the author of everything great and noble and creative in this world, --a simple FACT.

I do not think nigger parents will want their kids in WHITE schools too long with this approach, and the Federal Government will have mighty little it can do about it. Even the fight in the courts about our posters and race lessons will bring the FACTS of race to public attention and understanding, -and the Jews won't appreciate THAT!

We shall also see that kids in HISTORY classes get the FACTS on the Jewish participation in COMMUNISM and RACE-MIXING.

Those who tell me that other southern governors have really tried will have to explain to me why they haven't done any of these few things I have already mentioned.

But there's more, LOTS more.

As long as ONE nigger is raising hell in our state, we shall see that WELFARE REGULATIONS are STRICTLY enforced, and all recipients investigated. We shall insure that every nigger in Virginia will be campaigning for an end to all agitation and race-mixing. We will break no laws and we will not dicriminate, but STRICT ENFORCEMENT of the laws will really HURT a lot of these lazy, black bums who go out and agitate all day while the White Man works to pay black "welfare".

Further, nigger-lovers and jew agitators will get the kind of treatment WE have had for so long, especially in Philadelphia, New York City, etc. Detectives and police will keep close to these characters and instantly haul them up short for violations of law or for "suspicious activity", -as we are always being hauled in. If it's legal to do it to US, --then by God it's legal to do to Jews and niggers, -and it will be DONE.

On the other hand, the stick is no good without the "carrot", --so we shall take pains to REWARD niggers and Jews who stay out of and oppose the hell-raising and rebellions. "GOOD" niggers, old-fashioned, country-style niggers, the kind so familiar, --and often loved, -by good Southern White Folks, --will be praised and rewarded suitably.

Whenever nigger and Jew agitators, communists and other criminal scum commit a crime in a Southern state and run to some northern state,

the governors of these northern states often refuse to extradite the filthy criminals on the ground that they were fighting for "liberation", etc. Well two can play at THAT game. White Christians who are falsely seized and prosecuted in Jew and nigger states who can make it to Virginia will not be turned over to the nigger-loving states without VERY, VERY careful examination of their cases, probably taking YEARS. Meanwhile, they will be lodged in special Virginia nigger-fighter "jails", with comfortable private "cells" including large, comfortable beds, TV, unlimited "privileges and breakfast in bed, if they desire. The same "jails" will be used to house nigger-fighters sought by the Federal government, and we cannot turn them over, of course, while they are "serving time" in our special, Virginia "nigger-fighters' jails".

More seriously, perhaps the most important, we will set up a state supported RACE RESEARCH LABORATORY, in which honest anthropologists, guaranteed an INCOME FOR LIFE to protect them from Jew economic terrorism, will develop and publish HONEST statistics of Negro Inferiority. Had we such a laboratory NOW, anywhere in the USA, -there could BE no Federally supported race-mixing, because it could be utterly SMASHED in the Courts. The ugly fact is that we do NOT have any recent, solid, scientific FACTS to prove nigger inferiority, while the enemy, with huge Foundation grants, has produced a mountain of rotten and phoney, -but CONVINCING, -"statistics". Give me one year of honest research by competent anthropologists (who are presently silent for fear of ECONOMIC ruin), and there will be an END of Jew crowing about "equality" and "science" to "prove" it.

As Governor, I shall have the prestige to file TAX SUITS against the Federal Government for involuntary servitude in that they use my taxes to support lazy, criminal niggers and FOREIGN niggers in Africa, while White Christians go wanting, etc. I shall be able to lead a tax strike involving MILLIONS of Virginians, which may well spread across the Nation, and they CAN'T prosecute millions of us. If we cut off their MONEY, they will HAVE to crawl.

I could go on and on, -but I am sure all experienced "Reporter"'s know me well enough to know that we will ACT, where all the others have TALKED, --and we don't quit. Nor do we fail. We are used to taking the worst they can dish out, and STILL whipping them. As GOVERNOR, we will be able to beat the living daylights out of them!

And as this is written, Johnson has just come out with his unbelievable, vile, "WE-SHALL-OVERCOME" message to Congress. I got long distance calls from all over the USA about THAT. His name is MUD, now in Virginia.

And my only real opponent, Godwin, came out FOR JOHNSON. Can you IMAGINE how I will be able to beat Godwin to death with THAT?!

Not since 1913, when the Jews captured control of America, have we had such a chance to win back POWER. With the help of real, White, Christian Americans, with the help of my fellow Virginians, and with YOUR help, we WILL WIN POWER here, -and use it as a stepping stone to NATIONAL POWER IN 1972!

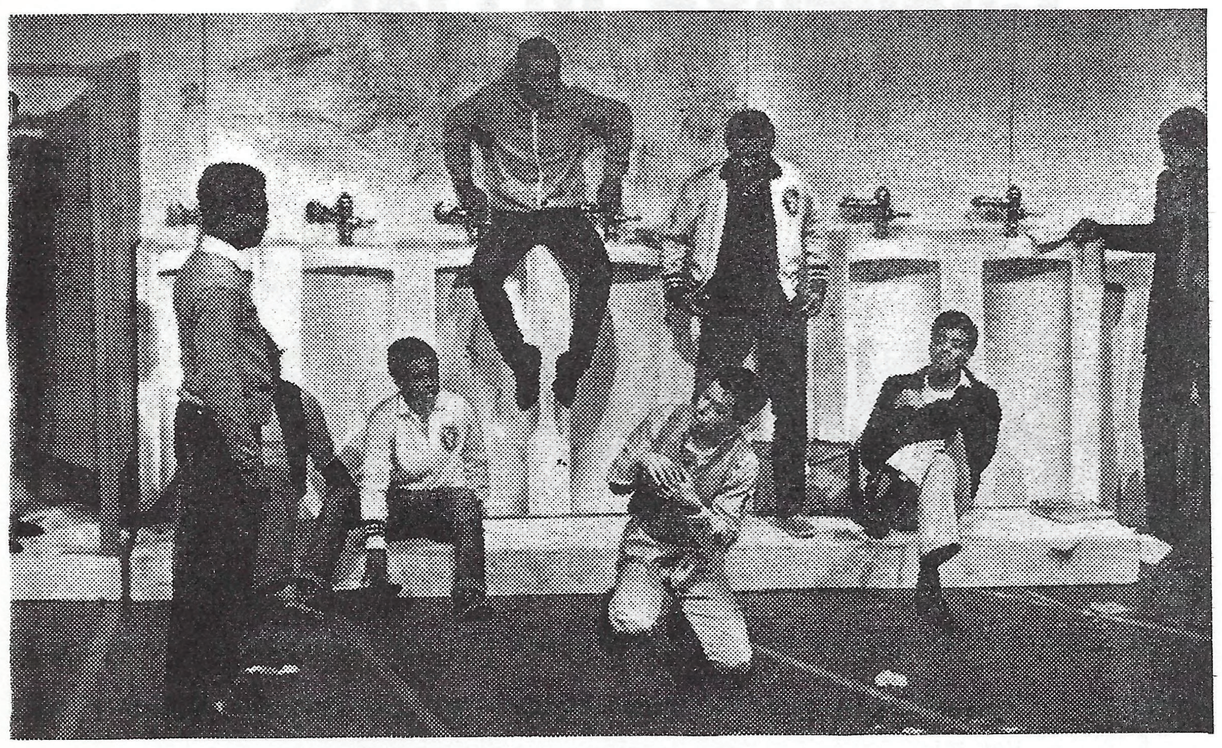
NIGGER "REALITY" ... "The Toilet"!

The enemy is dying to "catch" me in one tiny mistake of tactics by which they can list me as illegal, criminal or subversive. They want me to preach violence and defiance of the law, etc.

But I truly and sincerely BELIEVE in the law and due process. For more than five years, in spite of enormous provocation, I have never fallen to the temptation to vent the frustrations imposed on us by suppression and smears by going out and smashing in the heads of some of the filthy creatures who are destroying our Race and Nation. I have WANTED to, many times, -and I have been hard-pressed by the brave kids here with me.



FOOTS & KAROLIS IN "THE TOILET"
Sickening punishment in the theater of cruelty.

Spasms of Fury

The Toilet and **The Slave,** by LeRoi Jones, are one-act spasms of fury. Naked hate, like naked love, is very hard to project or sustain on a stage, but Negro Playwright Jones can do it with venomous intensity.

The Toilet takes place in the lavatory of a boys' high school. There are seven urinals. A Negro boy begins the play by using one of them; near the play's end, a white boy's bloodied head lies in one of them. In between, Jones makes it abundantly clear that he would gladly consign every white man's bloodied head to that identical place.

The form of the play is an act of vengeance. The white boy, Karolis (Jaime Sanchez), has written what can only be construed as a homosexual love letter to a Negro boy named Foots (Hampton Clanton). Foots's eight Negro buddies brutally punch, kick and stomp on Karolis. Directed with nightmarish brilliance by Leo Garen, the play moves like a street-gang rumble. Even mock games with rolls of toilet paper seem to crackle with terroristic menace. The Negroes spew the vilest of obscenities at Karolis and each other. On any absolute scale, the dialogue is air pollution of the highest scatological and pornographic density ever recorded on a U.S. stage. Relative to the play, it is an act of verbal violence, matching and intensifying the drama's physical violence. Just before the play ends, Foots cradles Karolis in his arms on an otherwise empty stage and bathes his battered face, as if to imply that this is an interracial love that dares not speak its name.

But I have kept "cool" and scrupulously legal in spite of every kind of hell.

Now, however, the temptations are getting almost unbearable. I have to be careful not to expose myself and my men to certain situations which would FORCE a violent reaction.

Such a situation is a play called "The TIOLET", by nigger "play-wright", Le Roi Jones.

Rather than risk the chance that readers might think I am exaggerating, I've reprinted the account of this nigger play photostaticly, as it appeared in Time Magazine, --certainly no "racist" magazine.

It is BEYOND me to understand how any decent MAN can witness this unspeakable, filthy vile, insulting, disgusting and revolting nigger INSULT to the White Race and to art, the theater, civilization and the law without rushing up onto the stage and vigorously STOPPING the s.o.b.s daring to flaunt such devilish nigger hatred and filth!

If this abomination comes to Washington or any city where I am, I shall do just that, -and take my chances in the courts on the grounds that it was a crime being committed in my presence, --which it is, -and I will do what I can to drag the criminals before a magistrate.

The Jews, of course, will explain "the TOILET" as "art" and excuse its vile language and acts as portrayal of "reality".

Well there is one consolation in that.

Here is portrayal of nigger reality by a nigger, showing what goes on in a school full of these black animals.

Perhaps, if this thing is judged "art", and legal, we can arrange to show it to every liberal mother and father who wants to send an innocent kid to an integrated nigger school. Since it is a NIGGER portrayal of "reality", how can these devils object?

Millionaires & The Protocols

"The Protocols of the Elders of Zion" make clear that the Jews seek a condition where there shall be nothing powerful in a nation but themselves and a few millionaires willing to do their bidding.

Have you observed that without exception, every candidate for President and most of our politicians have been millionaires ever since the deadly year of 1913 when the Jews gained effective power in the United States?

That does not just go for the leftwingers, but it is also true of the so-called "rightwing" candidates, like Goldwater who is a typical millionaire and a Jew at that.

When a people no longer have the natural vitality to produce natural leaders regardless of wealth, and

wealth becomes the sole criterion of political power, that nation becomes corrupt and inevitably--JEWISH!

And yet there are increasing numbers of good patriots whom you will find ardently supporting such millionaire fakers as Eisenhower and the Jew, Goldfink!

Alloys vs. Elements

How many readers recognize this man?

And here's another one.

You probably did better on the second one because his face is better known.

The first is a nigger named Brooke who is the Attorney General of Massachusetts.

The second, of course, is Adam Clayton Powell, the Nigger congressman from New York.

Why do I publish their pictures? What's so special about these niggers?

Well there IS something special about these particular jigs.

Imagine the face of an AFRICAN, CONGO nigger, -the thick, liver-lips, the kinky wool, the murky, animal-like eyes. Now look at Mr. Brooke. Does Brooke look ANYTHING like a REAL "Negro"?

NO, -not at all! Only an expert would be able to tell Brooke is a Negro at a glance. Brooke has the features of a WHITE MAN. So does Adam Clayton Powell. And so does Elijah Muhammad and Harry Belafonte; -and so do almost ALL of the "clever" niggers who are paraded before us to "prove" that niggers are "equal".

Whenever some nigger girl wins a beauty contest, it is NEVER, NEVER a "Ubangi" type jig with NEGRO FEATURES, -gorilla-nostrils, wool instead of hair, monstrous, swollen lips and murky African eyes.

In short, these "equal" niggers they always cram in our faces to prove racism is wrong are NOT "niggers". They are WHITE PEOPLE with some NIGGER BLOOD.

When a scientist wants to learn the properties of a metal like lead or tin he examines each metal in the PURE state, -he doesn't MIX them so that he can't tell what property belongs to which metal. He doesn't examine solder, a mixture of lead and tin, to find the scientific properties of either one of these metals. Any scientist who tried to claim that the properties of SOLDER are the same as or the EQUAL of either lead or tin would be laughed out of business.

And a scientist who took a mixture of more than 90% gold with only a few grains of lead for a sample, --and then used such a mixture to prove that LEAD IS THE SAME AS GOLD would be sent off to the insane asylum.

Yet Jew "anthropologists" like Boaz, Weltfish and Montague, who take human beings who are 90% WHITE and a few percent black, and use the accomplishments of such White Men with a bit of black blood to prove that BLACK MEN are the same as and the "equal" of White Men are just as crazy, and a hundred times more wicked and EVIL!

We can whip the daylights out of the race-mixers and mongrelizers if we can ever set up and finance a scientific laboratory to study and report on PURE, CONGO, BLACK NEGROES, compared to Whites.

Military Degeneracy

When I took command of my Navy Patrol Bomber Squadron in Iceland in 1961, I requested the use of the Air Force band stationed there for the ceremonies.

They duly reported, and during the formations and military functions, the band struck up a tune which would have had Generals Washington, Lee, Pershing or MacArthur spinning in their graves!

So help me, during these impressive military ceremonies, the Air Force band (sprinkled like salt and pepper with niggers) busted out in BOOGIE WOOGIE!

When I protested this insanity to the Joint Command (an Air Force General) I was informed that the traditional type of music was too "militaristic"! The troops enjoyed the boogie woogie more, and since we are a "democracy" it is more appropriate that we play nigger boogie woogie at military ceremonies!

All of this was 14 years ago, and since then, of course, we have made, no doubt, a great deal more progress toward further "democracy" in the Armed Forces.

Without a doubt, military bands now are equipped with electric guitars and can blare out the proper music for the old and new commanders to do the "frug" for the benefit of the troops, who would not like to hear some nasty militaristic tune, such as "Stars and Stripes Forever" or "The Star Spangled Banner"!

Martin Luther Coon & Malcolm X

Knowing the ways of Martin Luther Coon and his Moscow-style operations, I am now more than ever convinced that the REDS, somehow or other arranged the massacre of Malcolm X.

Coon and his mob knew months ago what was planned for Selma.

Had Malcolm been alive on the Monday morning after the Alabama troopers busted all those nigger heads, old Malcolm would have been down there leading a nigger ATTACK! Even if he didn't WANT to, which I doubt, he would have HAD to go ahead because of all his previous pledges. It would have been FIGHT or FOLD for Malcolm.

And if those niggers had ATTACKED, -if they had abandoned the phony, "non-violent" phase now being used so successfully by Coon, -if they were rampaging around Selma KILLING people, -the White Liberals who are now helping those red niggers would run like RABBITS and that would be the end of the money and the game.

In short, it would have been a pre-mature outbreak of the violent nigger revolution planned for a year or so hence. And coon is smart enough to know that a pre-mature, violent revolution, before the Whites are disarmed and beaten down, would be the END for their communist, "black-revolution".

Put these facts together, -and they point the finger of guilt for Malcolm's assassination not at the Muslims, -even though some of them may have pulled the triggers, -but at the Marxist revolutionists who are stage-managing the "black revolution" and can't afford to have Malcolm around at this stage.

Lest We Forget The Nature Of The Blacks

This is a photostat of an article in the Communist "Worker". Here's the PROOF that the "American" "civil rights" niggers backed the savage Red cannibals in the Congo, when they were slaughtering the White hostages over there.

Martin Luther Coon, James Farmer, A. Philip Randolph, Roy Wilkins and even Whitney Young of the Urban League wrote the President trying to STOP THE RESCUE of the White hostages in the Congo--just as Red China, Russia and every Communist government in the world was trying to stop that rescue.

No more proof on earth is needed that these despicable "civil rights" niggers and Jews, and their "liberal" stooges, are committing RACIAL TREASON and are UN-AMERICAN. If that be libel, let these rotten jigs and their Jew bosses sue me or charge me with criminal libel. I WELCOME prosecution, and will prove in open court that every word is TRUE.

The fact that America has not lynched these foul accomplices of Communist and cannibal savagery in Africa shows that the White, Christian American's situation is desperate! We have NO real leaders!

Can you IMAGINE how long a WHITE MAN, how long YOU, would last in an African nigger nation if you demanded that the nigger government support SOUTH AFRICA? And South Africans, so far as I know, have not murdered a single hostage nor have they ever eaten anybody!

I am not ashamed to HATE the scum, black, white or polka dot, who advocate the protection of cannibal savages and terrorists who work with Red China against an American effort to protect American women and children and preachers from murder, rape, terrorism and finally cannibalism.

As a result of the filthy, treasonable "demands" of these "civil rights" niggers, the rescue was actually called off before all the Whites were rescued.

DOZENS OF WHITE MEN, WOMEN AND CHILDREN in Africa were foully murdered and eaten,

Negro Leaders Urge LBJ Let Congo Alone
By DANIEL MASON
THE REV. DR. MARTIN LUTHER KING and five other top leaders of the Negro people last week called on President Johnson to halt military intervention in the Congo and to reverse the present U. S. policy on Africa. They charged the present situation not only menaced the Congo, but also perilled world peace.
Joining Dr. King in a letter to the President asking a meeting with him to discuss their position regarding U.S. African relations were A. Philip Randolph, presdent of the Negro American Labor Council; Roy A. Wilkins, executive secretary of the NAACP; James Farmer, national director of the Congress of Racial Equality; Whitney M. Young Jr., executive director of the Urban League, and Dorothy Height, president of the National Council of Negro Women.
Denouncing the Washington-backed Tshombe regime in the Congo, the six national Negro leaders urged President Johnson to cooperate with the Organization of African States in its efforts to bring peace to the Congo.

as a direct result of the RED PRESSURE, in which our "American" nigger "leaders" joined. Let's NEVER FORGET THIS, when the time comes!

The Golden Ghetto

A Jewish Invention

The Jews and Marxists never tire of moaning about how they are confined in "ghettos" and how dearly they wish to "escape".

At the end of World War II, there was not a Jew to be found in Miami Beach and, in fact, I am told that there were signs up all over warning Jews and niggers to stay out.

Then the Jews, looking for a place to bask in the sun and spend the money they had been squeezing out of Christians in New York City, invaded Miami Beach. Like a swarm of locusts they came and settled on everything in sight all over Miami Beach, driving out all forms of life not strictly kosher and Jewish.

Today, Miami Beach is so Jewish that, when Castro was acting up, David Ben Gurion in Israel served notice that any attack on Miami (which is full of Cuban exiles) would be considered an attack on Israel and the Jews in Israel would retaliate against Castro!

Miami Beach is an absolutely unbelievable scene! I cannot bear exposure to the devilish sights of this place more than an hour or two. Fat New York Jews and Jewesses parade around in the most outlandish and tasteless regalia imaginable. The Jewish women are the worst, often wearing "shorts" which are so short as to display the hideous accumulation of years of eating chicken fat.

Nobody forced a single Jew into this "Golden Ghetto" at Miami Beach. It is rich, tasteless and gaudy beyond description. The rich Jews flock here, as they do to Grossingers, because they LIKE IT!

And in spite of the protests by most Gentiles in the area that they are not anti-Semites, try to find a Christian or Gentile who enjoys being around these Hebrew horrors at Miami Beach!

"Share-The-Niggers" Poverty Program

A New Vote Buying Scheme

On my current speaking tour, I was able to spend three days in the Appalachian Mountains near the site of the biggest "Poverty Camp" planned by the Jews and niggers and Marxists.

I learned some interesting facts which should be passed along.

Firstly, the local residents who are supposed to be the object of all this concern from Washington deeply resent any insinuations that they are "poverty stric-

ken". They are hearty Anglo-Saxon mountaineer stock and, while they do not have large sums of money, they live mostly by farming and their own hard work and eat wholesomely and well. They do not have need of great sums of money. They are independent Americans who do not want to become dependent on the Federal Government. But the Federal Government, as usual, is determined to MAKE them dependent and captive voters.

Worst of all is the fact that most of the areas involved do not have large nigger populations and no nigger trouble as yet. The poverty camps are designed to import huge gangs of subsidized niggers who will be turned loose evenings, especially Saturday nights, to tear up and destroy the local community in the surrounding areas.

Believe it or not, inquiries by local citizens brought out the fact that the so-called "Poverty Camps"

WILL HAVE ABSOLUTELY NOBODY IN CHARGE OF DISCIPLINE AND NO DISCIPLINE WHATSOEVER! The teenage nigger hoods from the big cities who will be dumped in these camps will be free to come and go as they please and do what they please in the local areas and there is absolutely no plan for maintaining control of their deportment either in camp or outside!

Jew Double Standard Of Justice

The leader of our unit of the World Union of National Socialists in Chile, Franz Pfeiffer, head of the Chilean Nazi Party, is once again temporarily free while waiting for final papers to commit him to prison for three years.

In 1958, Pfeiffer, young and inexperienced, and knowing nothing else to do in protest against Jew-Communist treason, marked up a Jewish building.

For this, HE HAS BEEN SENTENCED TO 3 YEARS PENAL SERVITUDE IN THE RUGGED SOUTH AMERICAN PRISON IN CHILE.

A year ago, 97 Jews were caught smuggling gold in the amount of over $ 100 million in Chile.

All except three of the Jews have escaped entirely and the last three will soon be out of jail!

The damage done to Chile by these 97 Jewish smugglers of gold was enormous. The United States had planned a loan to Chile in that same amount, but then denied the loan saying that, if a handful of smugglers have a hundred million dollars then why does the Chilean government need the same quantity of dollars as a loan?

Thus, 97 Jews who damaged the Chilean government in the amount of over a hundred million dollars go Scot free, while a Chilean patriot, protesting Jewish Communist treason, is sentenced to three years of horror in a South American prison for marking up a Jewish building--with damages not even worth mentioning!

The Jews moan and groan eternally how they are persecuted and "hated" everywhere. It is outrages to justice such as this which keep them marching eternally into exile and onto the scaffolds of history.
